CHAIRMAN's BIT

Well that's the winter season over with!

I hope you managed to beat your old indoor pb. I did but only by 1. (Well, no point in making life too difficult for 2015-16 winter season.)

We all know that I'm not a coach, but something to bear in mind outdoors is to keep your arrow pointing level or downwards during the draw. Upwards pointing arrows during the draw will contravene our hazard assessment for the field and the field captain/judge will have a word - if one of the coaches don't get to you first!

Your Committee sanctioned the purchase of barebow trophies for our tournaments as this discipline is well represented these days.

Ian Sharp

Secretary's Sidelines

First may I say thank you to all of you who have paid your membership fees. If you have not please let me know if you do not intend to join this year. You will not be allowed to shoot after April 1ST until fees are paid. New cards will be issued to fully paid up members.

The Beginners course takes place in April so expect to see some new faces at the end of the month

If you want some coaching to improve your archery, ask, preferably a coach; there are now ten of us in the Club. See you when the summer comes!

Colin

Dear archers,

Now that the outdoor has started, we'd like to draw your attention to our two flagship tournaments this Summer.

Namely, **The Sir Thomas Wyatt** and the **Whitefriars**.

Help on the day is crucial to the good running of the shoots, and so we'd like to ask you to keep the dates in your diaries - to shoot one day but also to help one day:

The Sir Thomas Wyatt - June 27th & 28th
Also the equipment moving days **Thursday 25th** and return trip on the **Tuesday 30th**. **Whitefriars** - August 30th Also the equipment moving days and return trip to be advised.

There will be plenty of jobs to go round, and it doesn't matter if you can't be there for the whole event. Any help whatsoever will be gratefully received! The jobs include registration manning, score running, target moving, scoring for juniors, manning the tea and cake tent etc etc. If you are able to help, please rsvp to the TOs:

The Sir Thomas Wyatt - Neil Richardson
neil@npr-associates.co.uk

Whitefriars - Ian Sharp
ian883sharp@btinternet.com

Lastly, we will be holding a raffle at each shoot. If you have any unwanted presents or other items, (in good condition!) to donate, please get in touch.

Don't forget both are at Kings Hill Sports Park.

Captains Corner

A reminder that it has been agreed by the committee that either Archery GB card, or copy of said card, to be visible on your person when shooting. It has been noticed that certain members are not complying with this request. The main reason for this is that as from last year any new member of Archery GB's membership starts on the day they join, not April as was. The only way anyone knows you have affiliated is the card, without it **you and the club are not insured.** So see Colin if you haven't got a card holder. Display it please, THANK YOU in anticipation.

Head 2 Head

The last indoor was different in that we shot H2H rounds of max 15 arrows for half the evening. Then a straight knock out for the second part. It came down to a three way tie for the final, Carlos, Ian Sharp and June Mansfield. Carlos coming out the winner with Ian second. A good number of us first round outs stayed to see and heckle the finalists. Some jittery ends, but a good evenings entertainment I thought.

MKL

As we are limited to 12 archers at the Mid Kent League away events, please if you want to shoot them let me know now.

All are encouraged to shoot at the Home matches.

Just to round off **the indoor**, the result of the Portsmouth Ladder. The numbers were very good this year a max of 32 one

evening, average attendance was about 25, Ferryfield and Sutton archers joining us.

Table of results appended to the end.

KAF shoot 2 report

A lot better organised, a small group managed to put out four practice target butts (the 4 different faces) ranging from 15 to 60M. Mike Clark, Ian Wilson, Dom and me spent a day in the woods. The day stayed fair and we joined in the afternoon shoot 12 targets.

Kings Hill Sports Park

A Mayday event on Saturday May 16th to be held at the Park. We have been asked if we would like to be part of it. Ian, Neil, Sue, Graham and Geoff have said yes, details to follow. More help will be required on the day.
