Sunday of each month.

**Worcester/Portsmouth
open**

At

Lockmeadow Hall

**ALL HANDS NEEDED FOR
SETUP**

Sunday 17th Feb

7:30/8:00am.

Captains Corner

Hi all. Well that's Christmas out of the way, back to normal again.

The Christmas presentation went better this time, but we are still missing some trophies. Some will be replaced and others we will try to track down.

Not much for me to say this month. Only that the coming Worcester /Portsmouth is Sandra Punton's first as Tournament organiser, so please support her. See dates for your diary.

Indoor

Another first is a score from an archer of a few years. It took some bullying but Jean Wilkinson entered her second score in two years a Portsmouth. Well done. Dave Corke may not recognise the name, I think she is still on the system?
Hopefully we will see Jean on the field more this year.

The new archers of the year of 2007 are still as enthusiastic as ever. Most can be seen at the TA Hall & on the field both Sat & Sun.

The newer archers Nick Peake, Eleanor Peake, & Phil Kessel are getting very close to that milestone of 500 points for a Portsmouth.

Some have already passed it Adrian Randall well done.

Outdoor

Phil Kessel qualified at 80yds on Sunday 13th Jan. Very well done. He is looking at a new set of arrows so look out Paul, Clive, Ken & others.

The coming outdoor season will see some changes. Look out for the Captains Challenge & new format for ACA Championship day.

Interested in helping out coaching new archers? Well Geoff Allen has promised to sort something out this spring. Watch the newsletter for more information.

Longbow archers

It's our turn to host the Darentford Challenge this year. A provisional date for this year is Saturday March 29th 2:00pm.

For the newer archer this is an annual event where we challenge the longbows of Darentford to a western shoot. There is a trophy which we have won for the last two years. So if you fancy meeting other longbows come along & shoot.

I am thinking of organising a coaching half day for longbows as I did last year. Date to be confirmed:

Hopefully before the end of March.

Geoff B
